When you completed your Free Application for Federal Student Aid (FAFSA), you indicated one or more of the following conditions as applying to you. Financial Aid & Scholarships is obligated to verify this information and cannot continue processing your application until documentation is submitted to support your statement.

Please check the condition(s) below that that apply to you. You *must* attach supporting legal documentation according to the condition(s) you have specified. This can include, but is not limited to: **court ordered paperwork, documentation from your high school, a transitional living center, homeless shelter, etc.** If you are unsure what documentation you will be able to provide our office, please contact our office.

Please mark the condition(s) below that apply to you. (Check all that apply)

- At anytime since you turned age 13, were both your parents deceased, were you in foster care or were you a dependent or ward of the court?
- Are you, or were you an emancipated minor as determined by a court in your state of legal residence at the time you received the determination?
- Are you, or were you in legal guardianship as determined by a court in your state of legal residence at the time you received the determination?
- At any time on or after July 1, 2008, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?
- At any time on or after July 1, 2008, did the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development that you were an unaccompanied youth who was homeless?
- At any time on or after July 1, 2008, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?
- NONE OF THE ABOVE.** I incorrectly marked one of these conditions on my FAFSA. As a result, I understand that I may be asked to submit additional documentation
